FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

1. Defendant comes before this Court pursuant to a Writ of Habeas Corpus ad Prosequendum, having been held in the custody at the Regional Justice Center in Kent, Washington. The instant charges, filed in 2009, have been pending since that time. Defendant does not contest entry of an order of detention.

2. There does not appear to be any condition or combination of conditions that will reasonably assure the defendant's appearance at future Court hearings while addressing the danger to other persons or the community.

It is therefore ORDERED:

1. Defendant shall be detained pending trial and committed to the custody of the Attorney General for confinement in a correction facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appeal;
2. Defendant shall be afforded reasonable opportunity for private consultation with counsel;
3. On order of the United States or on request of an attorney for the Government, the person in charge of the corrections facility in which defendant is confined shall deliver the defendant to a United States Marshal for the purpose of an appearance in connection with a court proceeding; and
